

## Request to suspend trading 2016 third-quarter revenues

**PARIS (France) – Viadeo (FR0010325241, VIAD, Euronext Paris), the French professional social network,** is releasing its revenues for the first nine months of 2016.

€'000 (Unaudited figures)	9 months 2016	9 months 2015
Corporate revenues	7,332	9,932
- Recruitment / Training services	5,330	6,308
- Marketing / Advertising services	2,002	3,624
Online membership	4,942	8,631
<b>Revenues*</b>	<b>12,274</b>	<b>18,564</b>

*N.B. Revenues for the first nine months of 2015 are presented excluding business generated by the Tianji technical platform in China. This platform was shut down on 31 December 2015.*

At 31 October 2016, the company had €1.3 million in cash (unaudited amount), factoring in deferred payments.

*“As announced previously, our company will not be able to complete its turnaround strategy with its limited cash reserves. At the present time, it seems unlikely that we could secure new sources of funding and we are pursuing a range of alternative options. Our current shareholders should at this point consider Viadeo a speculative investment”,* explains Renier Lemmens, Viadeo’s CEO.
